## Mary Our Queen Catholic Church

Stewardship is an integral part of our parish life because it recognizes that everything we have and are comes from God. It involves a wise use of all the gifts God has given us personally--our time, talent

and material possessions and the gifts He has given us as a society--natural resources, the environment, etc.

The Bible tells us that part of this recognition and use is that we must return to Him the first fruits of the gifts He has given us in recognition of our dependence on and gratitude to Him.

In addition to giving our time and talent, the Bible actually *suggests* that we give God a full 10% of our annual income. We *suggest* it be divided as follows: 5% to the parish, 1 % to the Archdiocesan Annual Appeal and the remaining 4% to other charities, e.g., second collections, building fund.

Some people feel that 5% to the parish offertory will not work for them and we understand their feeling. Please consider instead what you pledged for last year's parish offertory and attempt to increase that pledge for this year. We ask that you prayerfully consider what a difference you can make as you reflect upon the concept of true stewardship in your life.
